Aquador 25 WAe is a walk-around boat with clean modern lines. The boat features two fullsize double berths, a toilet, a pantry and a modified cockpit layout. The rear bench can be adapted for various needs and e.g. converted into a sunbed. The rear bench can also be slid along rails in the cockpit floor to the fore of the cockpit in order to create more space for the rear section. The canopy comprises two components making it possible to utilise the boat as a "hard-top".
