Draft, ca	0.9 m
Fuel	365 L
Water	60 L
Septic	1x40 L

OTHER DETAILS

Boat Category	Power
Material	Fiberglass
Cabins	2
Head	1

Aquador 27HT is an upgraded version of AQ 26 with several improvements like new fore deck with skylight instead of hatch which gives more space in the cabin. Aquador 27 HT is delivered with white hull, light interior and wood in waxed teak. The engine is a secure marine diesel from Mercury 3.0 TDI V6 with electronic throttle which give easy manouvering, low fuel consumption and a speed above 30 knop. The U-sofa in cockpit is the natural place for socialising, both in nice weather with the cover down or protected under cover in bad weather. The VAT has been paid in EU and is not deductible.
